JAMMAL  
SINCE 1870

FOUNDING FATHERS  
a Tradition Since 1870

من نطن  
OUR ABOUT US

*Jammal since 1870*

*We make sure you always get just what nature has to offer. We are involved in the sesame processing, Tahini, and halva making throughout our production processes in order to guarantee transparency and high-quality products.*

## الرسالة و الرؤية

*"We value and respect traditions, diversity and hard work."*

### ***Two things you can count on with Jammal***

***With Jammal, you can be sure your answer to those questions will be a double yes. Health and wellbeing lie at the heart of all we stand for. From our natural products and ingredients – such as sesame, recognized since ancient times for its medicinal powers – to our business-boosting co-creation activities and our community support programs. We cultivate health. As for taste, well, just try our products and you will know.***

## الرسالة و الرؤية

## OUR MISSION & VISION

OUR MAIN PRODUCTS

## VEGETABLE OILS

Our premium vegetable oils extracted from sesame are pure, healthy and applicable in many food concepts.

a)- Toasted sesame oil

- Highly stable
- Dark brown with a strong aroma and a subtle, nutty flavor
- Ideal as a cooking oil and a condiment
- Best drizzled on finished dishes or applied at low to medium heat (stir-frying, baking, dipping, dressings)

b)- Extra virgin sesame oil

- Light in color with a very mild sesame seed aroma and flavor
- Unrefined and rich in nutritional value
- Long shelf life
- Suitable for food applications – cooking and salads – as well as for nutraceuticals and cosmetics

## CUISINE INGREDIENTS

Our cuisine ingredients (tahini and sesame flour) will surprise and satisfy your customer, while also contributing to balanced diet.

a)- Surprising cuisine ingredients for a healthy, fun lifestyle

Consumers today favor food concepts that combine a healthy diet with delicious flavors and fun. At Jammal, we've made it one of our specialties to bring all of those things together. Our cuisine ingredients will surprise and satisfy your customers, while also contributing to a balanced diet.

b)- Tahini: smooth, rich and enticing

- The legendary nutritional wealth of sesame seeds in a creamy, smooth paste
- Made from hulled, ground and roasted sesame seeds
- Delicate nutty flavor a hint of sweetness
- A key ingredient in Middle-Eastern cuisine and sweets (e.g., baba ghanoush, hummus, halvah)
- Also used as a salad dressing and as an alternative for nut butters
- Enjoyed worldwide in sauces, dips, frosting, cookies and baked goods

c)- Sesame flour ideal for modern food technology

- A perfect match for modern food technology's high nutrition and flavors requirements
- Excellent for low-carb bread, snacks, tortillas, breading mixes and pastas
- Gluten-free and high protein content
- Contains powerful antioxidants
- Long shelf life
